title, recently held by Joan Lukey, this past November. In December at a reception held at the Agawam Village Community building, Jo-Anne was judged the winner by a panel of five judges. The Regional Scholarship Club of Wareham presented her with a crown, banner, flowers and gifts, and the honor of competing for the State title of Massachusetts Junior Miss. The State competition was held in late January and our own Junior Miss performed her duties exceptionally well. Junior Miss contests have several other parts to their pageants which all the girls must participate in besides the ones that are obvious. A Junior Miss is judged on Poise, Personality, Talent, Physical Fitness, Mental Alertness and Interview; and their scholastic record by their own high school standings. Jo-Anne is a senior at Old Rochester Regional High School of which everyone can be justly proud.

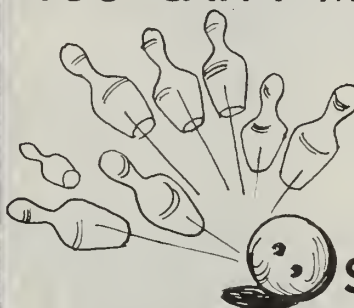

At the State Pageant, Wareham's Junior Miss was selected the Scholastic Award winner, the

Needless to say this is a very happy and excited family sharing Wareham's Junior Miss's trip. While in New York Jo-Anne will be a guest of Breck, Inc., and they plan to attend a theater party, visit the Breck Beauty Salon, a press conference and of course the final judging. We wish our Junior Miss an exciting and fun filled trip next Wednesday; naturally hoping that she will be the National Breck winner.

### WELFARE COSTS SOARING

The runaway welfare costs which staggered the town voters last year are going to shock some more. In the Selectmen's report of the 1967 warrant soon to be in the hands of the voters, the Mattapoissett Board of Selectmen report as follows: "Our Public Welfare expenses doubled in the last six months of 1967 and are projected at an even higher level for the year 1968. Although we are appropriating money for only six months of 1968, the total cost to the taxpayers of the Town of Mattapoissett will be about equal to the cost for the entire year of 1967. This tremendous increase is only in two categories of Public Assistance and is a situation over which no Town Official has any control. There will be additional larger increases in other categories as time goes on."

## LETTER TO THE EDITOR

I would like to comment on the letters to the Editor which appeared in the Presto Press of February 14 and 21.

I am concerned with the parental attitude which was expressed in each of these letters.

The former letter dealt with young girls reaching home safely from school after being held for detention and that it should not be allowed in the wintertime. The latter was concerned with drug abuse among students and the apathy among educators to this problem.

I would like to know where the responsibilities of parents come into these pictures.

The father worried about his daughter reaching home should meet her at the bus stop.

Perhaps if he was little inconvenienced when his youngster is detained for rule infractions, he would make sure it wouldn't happen again.

As for the use of drugs among students. It is a serious problem, and a problem which

cannot be solved by educators alone. Isn't parental apathy as well as educational apathy responsible for this situation? And shouldn't the question be, what are parents with the help of the school committee going to do about this pressing problem?

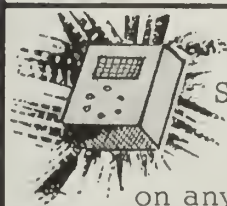

Cynthia R. Ryder

LETTER TO THE EDITOR

I also feel I must comment on the apathy projected at the panel discussion on drug abuse. The 'fine people' of this area are behind in the happenings of today's youth. One reason can be their total lack of interest on the activities of their sons and daughters.

These parents feel that their sons and daughters are angels and could not participate in any illegal or destructive activity. They (the parents) feel that their children do not do these things, but the boy or girl next door does. Since their children are good, why should they go to hear about drug abuse. Or could it be that they are afraid to hear what their children are doing?

I must now turn my attention to the panel discussion itself. I felt that the panel did not answer any questions that were impor-

tant to the actual happenings of today's youth. I am a member of today's youth, and my questions were not answered. Words came from their mouths, but not answers. The lack of interest by the community may be a result of the lack of reality to the problem, or any problem.

I would like to turn to Old Rochester. I graduated from that school. I returned one day to find: a window broken, every gym basket (which contains gym clothes of students) locked with chains and padlocks, chalk on the walls, only half the senior class with their senior passes and given to them at the end of the half year, not the first term, and a feeling of hatred for Old Rochester. This should not be. Students will do many things, because they are students and not adults. I and many of my friends did many illegal things at Old Rochester, but nothing destructive. Some students did, but I feel sorry for them. We hated school, not Old Rochester. Parents, why do your children hate Old

## HOW TO CUT HEAT COSTS:

5 tips that can help you get more  
warmth from your heating oil dollars

#### 1. Check your thermostat location.

If your thermostat is in a stairwell, on an outside wall or near an outside entrance, it may cause your burner to operate more often than necessary. It can be moved for you at little cost.

2. Shut off radiators or registers in rooms that aren't in regular use.

3. When fireplaces are not in use,

make sure dampers are securely shut.

4. Let us clean and adjust your oil burner. Then help keep it clean by using Shell Heating Oil.

5. Close off unused or rarely used rooms.

Call us today for the finest in heating oil service.

### FRIENDSHIP CIRCLE MEETING

Mrs. Ethel Morey of Prospect Road, Mattapoisett, a member of Hilltop Friendship Circle, entertained the group Wednesday. She was assisted by her daughters, Mrs. Beverly Farwell of Sharon and Mrs. Catherine Macomber of Mattapoisett.

The Circle members worked on articles for the next sale, and Mrs. Ruth W. Shaw, president, conducted the business meeting. A letter was read from Mrs. Ella May Phillips, who is now living in California.

Mrs. Marjorie H. Wilson was welcomed, after a long absence, due to an accident.

Hilltop Friendship Circle was organized in February, 1960. Mrs. Marian S. Hatton served as president until she moved from Mattapoisett. Mrs. Ruth W. Shaw has since been president. Mrs. Edna L. Borden is secretary and Mrs. Cynthia Power is treasurer.

A Beautifully decorated cake, made by Mrs. Macomber, was inscribed "The Hilltoppers" with red cherries, symbolic of George Washington's birthday, in the white icing. The cake was cut by Mrs. Gertrude

### SAVE YOUR OLD NYLONS

Please don't throw out your nylons - sav-

ing old stockings can save lives!

Perhaps you recall press and television coverage of the work of John C. Walsh in rescuing nearly 10,000 animals otherwise doomed by the construction of a hydro-electric dam in Dutch Guiana. Mr. Walsh, Field Director of the International Society for the Protection of Animals, has been asked to direct a similar project in Venezuela sometime in the next few months.

Previous experience has proved that the only way to move some of the larger species to new territory necessitates tying their hooves. Since rope cuts into the animals' flesh, thousands of nylon stockings are needed. Braided nylons are, furthermore, stronger than rope.

Stockings (without too many runs) can be sent to Mr. Walsh at 184 Longwood Avenue, Boston, or may be left at the Boutique, Water Street, Mattapoisett.

What has Mattapoisett done, in the last 50 years, with  
its natural asset?

Does PROGRESS stop with zoning?

What has our current administration done to develop  
our natural asset - the waterfront and its adjacent  
valuable acreage?

Do we support our schools and town alone or do we  
let our natural resource (the summer resident) assist  
us?

What do we need to attract this added income?

2. Town water to beach areas
3. Mosquito control at beach areas
